

AT YOUR DOOR SPECIAL COLLECTION®

In some communities, Waste Management can pick up **your electronics**, paints, garden chemicals, motor oil and more right from your home. Waste Management's At Your Door Special Collection® is a service we offer to residents to make it easy to properly dispose of potentially hazardous household materials.

To verify that At Your DoorSM service is available in your area and schedule a collection, visit WMAtYourDoor.com or

What Counts as a "Hard to Dispose of" Item?

Knowing what constitutes household hazardous waste can be confusing. We're here to help.

Below is a list of common hazardous materials that can be collected through our At Your DoorSM service:

- **Automotive products:** antifreeze, fluids, motor oil, oil filters, gasoline, polish and waxes
- **Batteries:** home and vehicle batteries
- **Electronics:** TVs, computers, laptops, cell phones, printers, fax machines, MP3 players, DVD/CD/cassette players and more
- **Fluorescent light bulbs and compact fluorescent lamps (CFL)**
- **Mercury containing devices:** thermometers and thermostats
- **Paint products:** oil-based, latex and spray paints, caulk, wood preservative and wood stain
- **Garden chemicals:** pesticides, herbicides, fertilizer and insecticides
- **Sharps:** syringes, needles and lancets
- **Swimming pool chemicals**
- **Other household chemicals:** toilet bowl cleaner, shower/tile cleaner, carpet cleaner, rust remover and more

While we can take care of many forms of common household hazardous waste through the At Your DoorSM service, some items are **not suitable for home collection:**

- **Asbestos**
